## DENVER ESSENTIAL AUXILIARY KEYPAD

### DV-V-AUX

Intelligent lighting is an essential part of every smart home and provides added convenience and peace of mind. Denver Essential Wireless Lighting products are an addition to the Denver Wireless Lighting product line and are designed with the essential features enabling them to be included with every Denver system. The Denver® Essential Auxiliary Keypad provides a seamless solution for three-way control of an Essential switch or dimmer by wiring to the switch or dimmer using the existing wiring in the wall.

- Never come home to a dark house again
- Your home looks lived in when you are away
- Turn off all the lights as you run out the door
- Set the perfect lighting-level for everything—romantic dinners, parties, relaxing, cleaning
- Elegant, sophisticated design makes a beautiful addition to any home or business
- Color kits available in Black, Light Almond, and Snow White
- Denver® screwless faceplates are sold separately, providing a sleek profile (see "Available accessories")
